E. ANY OTHER RELEVANT INFORMATION, IF ANY:

(Brief write up on the activities conducted during Vigilance Awareness Week, not more than 1000 words, may be attached in a separate sheet)

The ICAR-National Bureau of Soil Survey and Land Use Planning organised a programmes with series of events focused on "*Corruption-free India for a Developed Nation*" during the Vigilance Awareness Week (VAW) from 31st October to 6th November, 2022. Weak celebration started with issuing a circular on 26.10.2022 for HQs as well all its Regional Centres highlighting the details of weak long programme to be observed. Program begun with an integrity pledge to be honest and vigilant on 31st October, 2022 at the main office building of NBSS&LUP at Nagpur and its 5 other Regional Centres. The pledge reiterated that corruption has been one of the major obstacles to economic, political and social progress of our country, which needs to be strategically tackled and eradicated together by promoting vigilance and commitment to highest standards of honesty and integrity by all stakeholders including Government, citizens and private sector. The office staff of RC Jorhat prepared various placards related to vigilance awareness and corruption in the form of slogans in Assamese, Hindi and English languages. These anti-corruption quotes were written on white paper and displayed on the walls of the office building, outside the office, public places, etc. to create awareness among the office staff and other common public so that they refrain from corruption. The scientists have delivered talks on maintaining transparency in all financial matters to all the staff of the Centre.

Dr UK Maurya, Principal Scientist and Vigilance Officer, ICAR-NBSS&LUP conveyed the pledge to all the staff of the Institute and spoke on the needs of the vigilance, sensitive areas of vigilance, scope of vigilance angle, manifestation of corruption and malfunctions, features of various vigilance programs including preventive and participatory vigilance and principles of good governance. He emphasized the justification for and means of killing corruption individually and collectively in order to make prosperous India. Similarly, Nodal Officers/Heads of all the Regional Centres have conveyed the pledge to their staffs.

Director, ICAR-NBSS&LUP requested all the staff to actively participate in the Week's activities and create far-reaching awareness on the vigilance and integrity and effective functioning through various ways and means. He informed that the week-long program is aimed to sensitize the public on effective function of the government and private offices, and employees of public servants on various dimensions of vigilance and integrity and thereby instill honesty and transparency as a basic ingredient in administrative and public dealings of the officials and the citizens. A focus on the theme of promoting achieving honesty and integrity towards achieving self reliance in all spheres of life and living will be highlighted during the week.

The week-long program included Webinar ("*Transparency in Public Procurement*") /Seminar ("Preventive Vigilance" and "Conduct Rules"), meetings in Gram Panchayat under 'Awareness Gram Sabhas' debate competitions on "*Is Integrity Responsible for Self-Reliance in India?*" and "*Public vigilance alone can stem corruption*" with the focus on this year Theme, "*Corruption-free India for a Developed Nation*" and quiz competitions on vigilance, integrity, good governance, CCS (CCA), administrative, store and purchase rules/procedures, internal records verification and maintenance by all the divisions and sections towards transparency and efficiency, display of banners/posters/placards on VAW theme at prominent places, photographs, media clippings, sensitization workshop on "vigilance in official work" as well for the tribal communities were also carried out.

Vigilance Awareness workshop cum Gram Sabha Programme was organized in Gram Panchayat under 'Awareness Gram Sabhas' at Garanda village, Parseoni Taluka, Nagpur which was chaired by Gram Panchayat head. Various lectures on role and importance of

the vigilance awareness week and how to use the Right To Information system (RTI) for collection and applying the agricultural schemes and programmes on their agricultural fields for enhancing the livelihoods of farmers and the relevant fields related to their crop production, seed production, weed control and soil health cards and their role have been discussed by the institute scientists. Imperative talks were delivered by guests, Sh. Rashtrapal Meshram, Police Patil and Shri Kapse, Gram Panchayat Members, Garanda village. The programme was conducted by Shri HL Kharbikar, Scientist under the leadership of Dr MS Raghuvansi, Pr. Scientist and attended by large number of farmers in the presence of Press media personals..

Sh. Jai Kaushik, Joint Director, Treasuries and Accounts Department, Jaipur, Rajasthan shared the rules and regulations of Government of India that are available in effecting vigilance and transparency, particularly on official purchase procedures during the webinar on "*Transparency in Public Procurement*" which was attended by large numbers of official covering Scientific, technical and administrative staff of headquarters as well as all its Regional Centres. Besides this a sensitization workshop on "vigilance in day to day life" with tribal communities in rural Udaipur and "cleaning and sanitation drive" of official campus with support of working staff was conducted at RC Udaipur and coordinated by Dr RP Sharma, Sr. Scientist, of the Centre.

Shri AA Goswami, CAO, CICR, Nagpur shared dimensions of corruption and its ill-effects, experiences on visualizing manifestation of corruption and lack of integrity, current updates on conduct rules, good governance, means of empowering the staff and organization to implant effective functional systems, improve administrative dealings as a matter of everybody's responsibility, and inculcate resolutions beyond vigilance and integrity discussed during the special seminars.

Various sections of the staffs including scientific, technical and administrative staffs of the NBSS&LUP actively participated in the whole range of programs and created far-reaching awareness on the vigilance and integrity and effective functioning through various ways and means. Internal records verification and maintenance by all the Divisions, Centres and Sections of the Institute was the part of the program, to promote transparency and efficiency. Awareness banners on vigilance and good governance displayed at various strategic locations around the Head office and the Regional Centers. The Email and SMS campaign highlighted the issues related to vigilance, integrity, and related shortcomings that may require correction or redressal by the appropriate authority. A focus on the theme of promoting achieving honesty and integrity towards achieving self-reliance in all spheres of life and living have been highlighted during the week. The pledge and other programs organised highlighted that the corruption and lack of integrity is the single-most problem that impedes economic, political and social progress of our country, and compromises the development of the society seriously.

Dr MS Raghuvansi, Pr. Scientist, Shri HL Kharbikar, Scientist; Shri HJ Bhondve and Shri VT Sahoo, Tech. Officers, Ms Sonal Rekhate, LDC coordinator to organize Vigilance Awareness workshop cum Gram Sabha Programme in Gram Panchayat under 'Awareness Gram Sabhas' at Garanda village, Parseoni Taluka, Nagpur on 1st of Nov. Dr Nirmal Kumar, Sr Sci., SS Gaikwad, CTO and Shri DK Dharam, Dy. Director (Off. Language) and Dr Tarit Chattopadhyay, Sr. Scientist were co-ordinator to organize Debate competition on 2 & 3rd of Nov., whereas Shri Aswani Garg, Sr F&AO and Ms Sonal Rekhate (LDC) were quiz co-ordinator for 3rd Nov. whereas, Dr AP Nagar, CTO and Dr SS Nimkhedkar, CTO were Coordinators for conducting/organizing special seminars on "Preventive Vigilance" and "Conduct Rules" at the Institute on 4th Nov. 2022 at the behest of the Vigilance Awareness Week and speakers were Dr UK Maurya, Principal Scientist, NBSS&LUP, Nagpur and Shri AA Goswami, CAO, CICR, Nagpur. This programme was conducted under the chairmanship of

the Director of the Institute and attended by all the staffs of HQs. and the different activities at Regional Centres were coordinated with their Nodal Officers/Heads.

Dr BP Bhaskar, Director (Act.) ICAR-NBSS&LUP in his concluding remarks emphasized on transparency and integrity in every walk of life, not just during the vigilance week alone so as to help in building organisation and trust amongst the stakeholders and the public. He informed the participants that official irregularities and mismanagement of research outputs and outcomes sometimes becomes the issue of vigilance and amounts to corruption beyond the monitory realms, which every scientist and staff should be aware of. He reiterated that corruption has been one of the major obstacles to economic, political and social progress of our country, which needs to be strategically tackled and eradicated together by promoting vigilance and commitment to highest standards of honesty and integrity by all stakeholders including Government, citizens and private sector.

Dr Maurya coordinated the week-long vigilance awareness program at HQs with its Regional Centres, which includes the administration of integrity pledge, special webinars, seminars, academic/administrative quizzes and press articles to bring in far-reaching awareness and impact on the focus of vigilance and integrity.

The concluding ceremony was marked with prize distribution by the Director and Head to the staff of the HQs and Regional Centres on various competitions organized during the period. The programme was conducted by its Nodal Officer at HQs as well as Regional Centres and was concluded by the formal vote of thanks.
