

## International Women's Day-2024 at ICAR-NBSSLUP, Nagpur

International Women's Day is celebrated across the globe every year on 8<sup>th</sup> March to celebrate women's achievements, to educate and awareness about women's equality, and for better understanding of issues faced. In this regard, the women employees of ICAR-National Bureau of Soil Survey and Land Use Planning (NBSSLUP) Nagpur also celebrated International Women's Day with the theme "Invest in women: Accelerate progress" on March 8, 2024. The event was coordinated by Dr. Jyotiprava Das, Scientist, Land Use Planning, ICAR-NBSSLUP, Nagpur and about 40 No. of women employees have participated in the programme. The women employees have actively participated in the events like singing, dancing, quiz, fun games, mono acting, etc. The winners were felicitated with the first and second prizes. The contractual women sweeping staff were also felicitated for their services in keeping the campus clean and hygienic. The programme was attended by women scientists, technical and supporting, project and contractual staff of the institute. The women staff of the institute expressed their gratitude to the Director, ICAR-NBSSLUP, Nagpur for his support in organizing the programme.
