

3rd Joint Workshop of the IUSS Working Groups on Digital Soil Mapping and GlobalSoilMap

(Soil mapping for sustainable land use planning)

The 3rd Joint Workshop of the IUSS Working Groups on Digital Soil Mapping and GlobalSoilMap, is organized by ICAR-National Bureau of Soil Survey and Land Use Planning during 21-24th January 2025. The workshop was inaugurated by Dr Suresh Kumar Chaudhari, Deputy Director General (Natural Resource Management) at ICAR. The event aims to advance the use of digital soil mapping techniques to support informed decision-making in land use planning, ultimately promoting sustainable agricultural practices and natural resource management.

Totally 180 delegates including 35 international delegates from 19 countries (France, Australia, Cameroon, Canada, Czech republic, Finland, Germany, India, Nepal, Netherlands, Nigeria, Papua New Guinea, Russia, South Africa, Spain, Sweden, USA and Malaysia) were participated in the four days' workshop.
